Hey guys just wanted to let you all know that at the request of several of our forum members, we are hosting a Dyno Day Shootout.

It's a Ford vs Mopar vs Chevy

Nov 22 starting at 8:30 am

We're still working out the details, but we will be giving away some T-Mobile Prepaid phones and DTP Racing shirts as prizes.

Here's a link to check it out: [http://www.dtp racing.com/index.php?o...\\_detail&agid=3](http://www.dtp racing.com/index.php?o..._detail&agid=3)

BTW, a lot of Mustang guys are saying that the Hemi guys have nothing for them! I guess we'll see.

So far, only a couple of SRT8's and a modded SRT4 have registered. Also have a couple of s/c Vettes and Mustangs coming out as well. The weather should be great for numbers.

That gt 500 was really something! The 66 Ford was awesome too! Thought the rear tires were going to explode though.
